## Enabling Potential Through Partnerships

Here at QEF, our partnerships are of vital importance. Whether you support us through sponsorship, taking part in our fundraising events or helping on a [Corporate Volunteering Day](#) you are making a real difference empowering independence for the 10,000+ disabled adults and children we work with.

There are many ways you can partner with us: Perhaps you could take on a [challenge](#) or [team building](#) activity? You can take part either as an individual or as part of a team!

### PARTNERSHIP NEWS

We are absolutely thrilled to announce we have now formed an official partnership with **Chessington World of Adventures**. The relationship encompasses a volunteering programme, fundraising events, mobility and accessibility awareness and a donation drive to name but a few planned activities.

A wonderful group of their employees came to join us for an art disability awareness session. This involved creating paintings using their non-dominant hand and wearing specially adapted goggles to replicate vision impairment caused by a brain injury following, for example, a stroke. The session left a strong, lasting impression on the team.

Thank you **Chessington World of Adventures** for your dedication and support!

Welcoming back a fantastic team from **Colgate Palmolive** who worked tirelessly in the rain to transform the overgrown paths and flower beds here at Leatherhead Court. And they made a donation towards the CRC.

Thank you **Colgate Palmolive**.

In addition to delivering Accessibility Training via an eLearning platform for Wimbledon staff we were proud and delighted to provide Accessibility Services to the **AELTC** throughout the Championship fortnight. Thank you to everyone involved in delivering this service and supporting greater accessibility for all.

EXPLORE PARTNERING WITH US

## MAKE US YOUR CHARITY OF THE YEAR

Choose or nominate us as your Charity of the Year and your **dedicated QEF account manager** will work with you to create an impactful partnership and curate a calendar of fundraising and volunteering activities for your staff to get involved in and showcase the real-life impact of your support.

A recent successful partnership we have had is with **UNUM** who supported us over a two-year partnership in so many ways: sponsoring and attending events, organising fundraisers and raffles, volunteering, singing for our clients in the **Care & Rehabilitation Centre** the list goes on and on. A total of over **£39,500** has been raised during the course of the partnership. Through the generosity of their support, we can ensure we continue to provide services that enable potential for over 10,000 disabled children and adults every year.

## NEW SERVICE LAUNCH

We are thrilled to announce that with a handful of selected legal service providers we have developed a **Legal Information Service** which will enable all QEF clients, as well as their family and friends, access to specialist advice, information and guidance. QEF wants to enable information access to all, whether clients are **pursuing a claim for welfare benefits or compensation, to understanding employment rights or post brain injury, needing help to navigate complex legal, financial and welfare issues.**

QEF are looking for specialist solicitors to join the directory to facilitate with this as well as welcoming discussions with potential referrers, Case Mangers and specialists in personal injury and medical negligence. Please contact the team for more information.

## JULY FEATURE: RACHEL'S MARATHON SUCCESS AND DANIEL'S LOVE FOR LIFE

Running a marathon is no small feat, but for Rachel, it was a personal journey of remembrance. "I've always wanted to do a half marathon or a full one, and I chose to do the Reading one in memory of my brother Daniel,". Daniel, who had severe cerebral palsy, passed away four years ago, leaving behind a legacy of joy and resilience that Rachel wanted to honour.
